

EXECUTIVE COURSE ON LGBTQ+ RIGHTS LAW

4-6 November 2026

Content

This intensive course lasts three days with multiple engaging sessions each day, providing participants with an immersive exploration of various aspects of LGBTQ+ rights law.

Key Modules:

- 1. Introduction into Human Rights Law:** A foundational overview of global human rights principles, focusing on how LGBTQ+ rights are framed within international legal contexts. Specific focus will be on the development of LGBTQ+ rights in the Netherlands, the EU and at UN level.
- 2. Artificial Intelligence (AI), Digitalisation and LGBTQ+ Rights:** A critical examination of how AI technologies and digitalisation intersect with LGBTQ+ rights, including discussions of bias, discrimination, privacy issues and ethics.
- 3. Workplace and Economics:** An analysis of LGBTQ+ rights in the workplace, covering employment law, economic inequality, and the legal protections needed to foster equality and inclusion globally for LGBTQ+ persons.

Quick info:

-  Wednesday 4 - Friday 6 November 2026
-  English
-  In person on the EUR campus
-  Includes granted certificate
-  EUR 450 for EUR employees/students, EUR 850 for externals

Target audience

This course is tailored to **professionals (such as ERG/ Pride network members, diversity officers, policy advisors, activists, legal professionals etc.)** who are involved in developing, enforcing, or advising on policies related to diversity, equity, inclusion and antidiscrimination that require a basic understanding of LGBTQ+ rights within public and private organizations such as law firms, government ministries, NGOs, civil society organizations and other bodies. The course is also valuable to **(EUR) employees, (PhD) students, academics, and professionals in general who want to deepen their understanding of LGBTQ+ rights law** and its application in various contexts.
