

This document shows a list of the most common foreign secondary school diplomas that meet the minimum general admission level for applying to our international bachelor degree programmes.

Please note:

- You are not automatically granted admission to a bachelor degree programme if your diploma is listed
- We kindly refer to our admissions website for additional English language requirements
- We kindly refer to our admissions website for information on our mathematics entrance exam (applicable depending on the chosen course curriculum and/or study progress)
- For applicants who have obtained or will obtain different types of diplomas the decision will be based on one type of diploma. E.g., Turkish Lise Diplomasi in combination with the International Baccalaureate Diploma will be reviewed as an IB applicant.
- This document refers to the admissions procedure for academic year 2022-2023. Our admission requirements are evaluated on annual basis.

### American High School Diploma

From an accredited high school; a minimum GPA of 3.00 plus 4 independent\* AP courses in general academic subjects\*\* (with grade 3 or higher). AP exams are required to be taken externally with College Board.

*\*By independent courses we refer to overlapping courses being counted as 1 AP exam. For example, AP Calculus ab and AP Calculus bc are not counted as 2 individual AP's but as one. Likewise, AP US History and AP World History are counted as one and do not count individually.*

*\*\*Accepted subjects: Art History, English Language and Composition, English Literature and Composition, Comparative Government and Politics, European History, Human Geography, Macroeconomics, Microeconomics, Psychology, United States Government and Politics, United States History, World History: Modern, Calculus AB or BC, Computer Science, Statistics, Biology, Chemistry, Environmental Science, Physics, World Languages and Cultures. Please note: overlapping subjects are counted as 1 AP exam.*
