Confirmation on course curriculum during the final year

- Students within a secondary school system which uses different levels at which a course can be studied, please clearly indicate the level of all subjects. For example, IB students standard or higher level.
- Students within a secondary school system which knows different types of mathematics clearly indicate the type of mathematics you chose. For example, French Baccalaureate students should specify whether they took Mathematics Spécialité, Complémentaires or Expert. Similarly, for other diplomas, indicate if you chose mathematics at Advanced or Basic level.
