

Round-table

Merging forces: theory meets practice

Craft and design

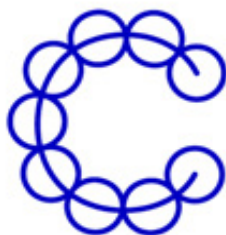

The round-table is part of the
**23rd European Business History Association (EBHA)
Annual Congress 2019 – The Business of Creativity**

Double click here for more information

**Erasmus University Rotterdam Polak - 1-17
Saturday the 31st of August from 11:00-12:30**

The round-table brings together academia and practice in order to share knowledge and to reflect on the art of crafts research and practice, and offers suggestions for future research on education, policy and business models. The round-table is co-organised by dr. Mariangela Lavanga, dr. Ellen Loots and dr. Anna Mignosa (EUR, Department Arts and Culture Studies) in collaboration with Marion Poortvliet (Crafts Council Nederland).

The entry to the round-table is free. Please confirm attendance.
