

# Ready to make an impact?

International Master Programmes  
2023-2024

# Home to hard-working, entrepreneurial students since 1913

**W**elcome to the highly-ranked Erasmus University Rotterdam (EUR), a research university located in the city of Rotterdam, the Netherlands. We offer 13 selective bachelor and more than 50 master programmes in English to an international student body of 39,000.

At EUR, it is our mission to make a positive impact on society. Our students and researchers are putting science to work in addressing the challenges of the 21<sup>st</sup> century. We want people to live longer and healthier lives. We believe increased prosperity should be both inclusive and sustainable. And we think cities can flourish, even as populations change and grow. [Will you join us in our mission?](#)

# Reasonable tuition & one-year programmes

**D**utch higher education offers incredible value; programmes for the 2022-2023 academic year will cost just over €2,300 for European Union (EU)/ European Economic Area (EEA) students. For students from other parts of the world tuition depends on your programme, and ranges from €8,600 to €28,500.

The majority of our master programmes take one year. However, there are some part-time opportunities or variations – such as research masters for those who wish to continue to a PhD and executive programmes for professionals – that take up to two years.

For more information about our master programmes, visit [eur.nl/en/education/master/overview](https://eur.nl/en/education/master/overview).

**EU/EEA**  
generally

**€2,314**

**Non-EU/EEA**  
ranging from

**€8,600 to**  
**€28,500**

“To make it a just society for everyone, we need better policies respecting women and traditions.”

Satya Maia Patchineelam,  
PhD candidate

Satya researches how women adapt after development-induced displacement and resettlement; she hopes for preemptive policies protecting the livelihood of vulnerable groups as well as gender equality.

## Why study in Holland?

- **Quality education**  
All 13 Dutch research universities are ranked in the top 2% of the world's best universities.
- **Orientation year**  
After graduation, you are eligible for a 1-year work permit in the Netherlands.
- **English everywhere**  
English is an unofficial second language here and nearly everyone you meet will be happy to speak English with you.

### TIP:

More than **140 international online courses** across European universities are open to our students thanks to our UNIC alliance.

## From master to PhD researcher

Each year, more than 300 academics complete their **PhD at Erasmus University Rotterdam**. All faculties have their own doctoral programme, normally a four-year track, during which you perform research on a particular subject under the supervision of a professor.

# Our city is our laboratory: welcome to urban, international Rotterdam

With its huge port, famously multicultural population, and many multinational companies, Rotterdam – the Netherlands' second biggest city – is an environment full of cases, data and partners for research.

Experience the city from your phone
