

SPARK session

DRAWING AS A TOOL FOR TEACHING

Are you a passionate teacher eager to enhance your teaching toolkit? Do you believe in the power of visual expression in the learning process? And would you like to dust off your drawing skills? Join us in the *Spark session: drawing as a tool for teaching*.

In this hands-on workshop you will learn how to draw the basic 'visual alphabet', to open the world of possibilities of visualization. You will practice how to draw abstract concepts in a way everyone understands. And you will connect with like-minded teachers, sharing ideas and experiences in a collaborative environment that encourages creativity and innovation!

GOALS

- dust off your drawing skills
- learn the visual alphabet
- visualize abstract concepts

Introduction

basics of drawing

abstract concepts

practical application
