

Welcome!

I'm your recycle token.

110 YEARS

Making Minds Matter

First Drink: Thirsty? Exchange me for a cup at the bar. Purchase your drinks with regular coins.

Refill: Done with your drink? Swap your used cup for a new one at the bar.

Taking a Break: Do you want to dance? Return your cup at the bar to get me back ;)

Lost your cup or token?

You lost me? Buy a replacement for 0.5 coin at the bar.

Heading out: You leaving already? Hope you had a great time! Please return your cup at the bar or drop it in a bin at the exit.

With this system, we hope to collect all the plastic at the festival in the appropriate bins, which will be recycled after the festival.
