

Wir im Quartier (WiQ)

We in the neighborhood

Urban Future 24, Rotterdam, June 5, 2024

Christina Neddens, Stadt Leipzig, Stadtplanungsamt
Thorsten Mehnert, Stiftung „Ecken wecken“

Citizens have many ideas that can improve our common good

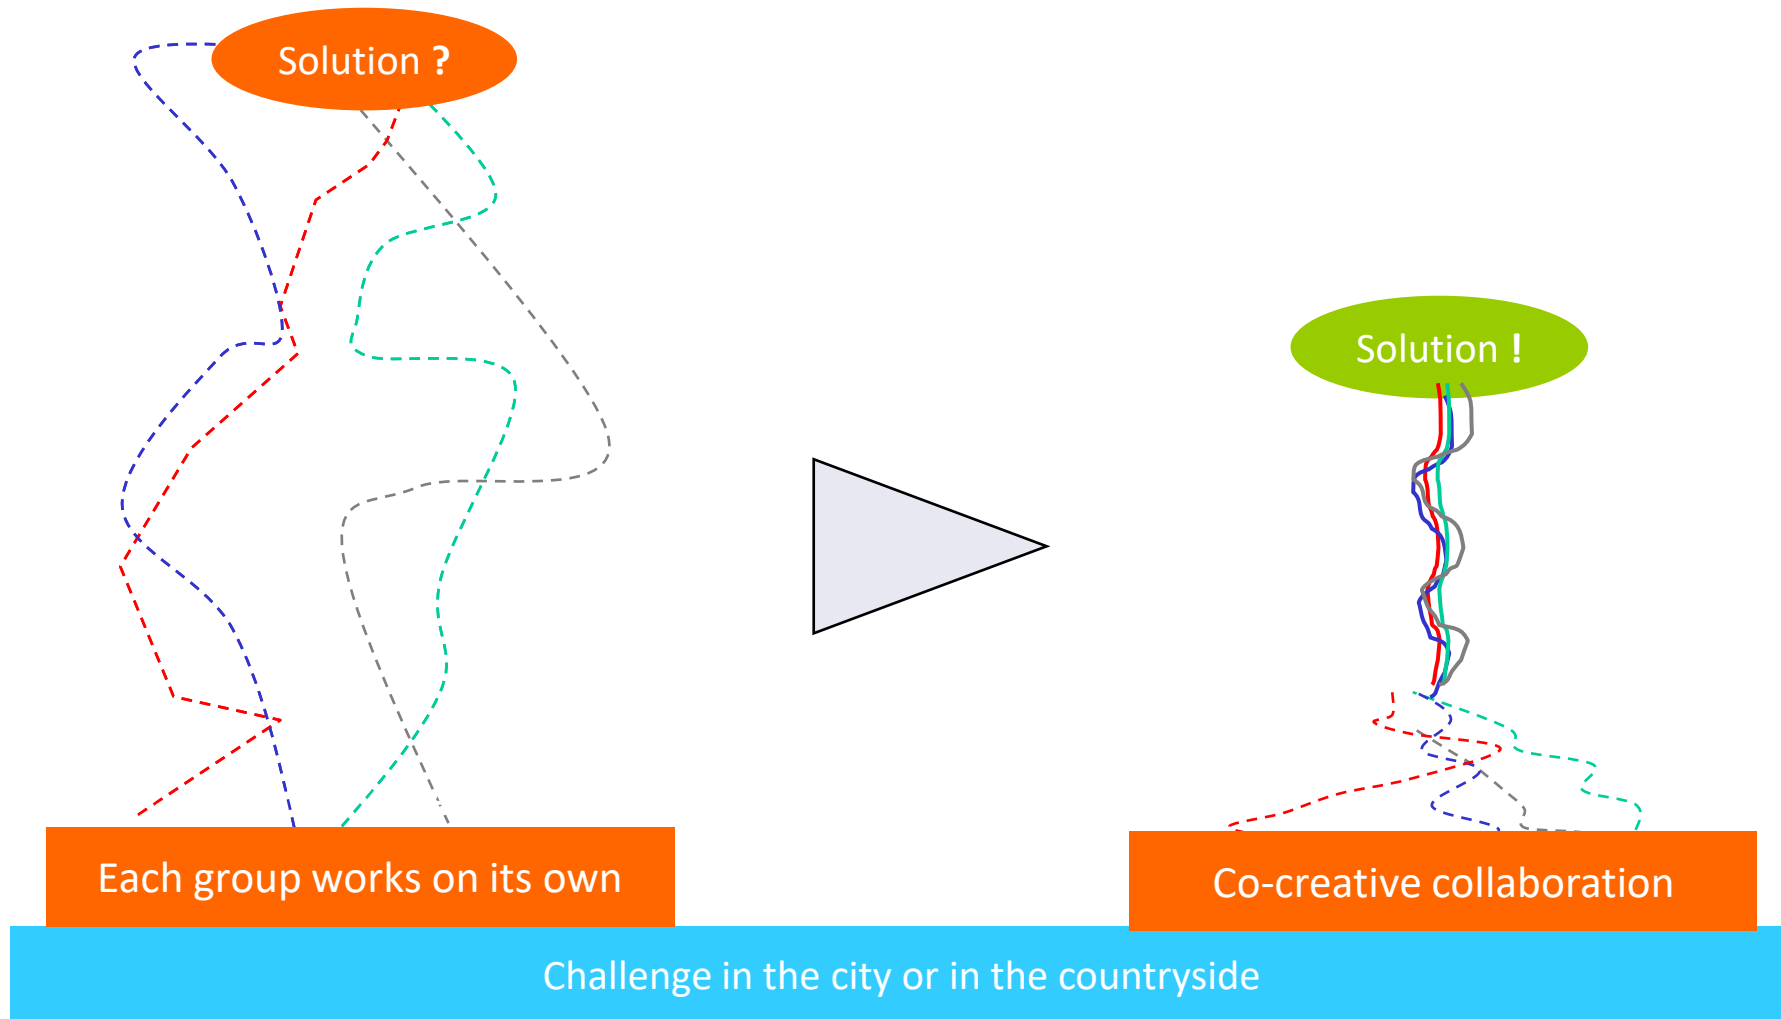

Some just complain or have high expectations of the city administration. But many are prepared to get to work

H2 “Know your people”? – Citizens, administration, politics and business find it out when they work together to find solutions

In Leipzig, there are more than 30 so-called solution teams that work together co-creatively – examples:

QuartierPflege

Tauschschranke im
Leipziger Westen

Parklets für den Leipziger
Westen

Tiny-Living im
urbanen Raum

Wanderbaum-
alleebetreuung

LEIPZIG GIESST

Leipzig pumpt

Stadtbild
Alt-Lindenau

Zweites-Leben-
Regal

Treffhaltestelle

Find out [here](#) what these solution teams do

Solution team “LEIPZIG GIESST (LEIPZIG POURS)”

Solution team “KiMO – the mobile cinema”

Solution team “Co-creative administration”

We in the neighborhood (WiQ) od – our goal

We want successful idea growth. Doing instead of complaining!
Co-creative processes in the administration!
