UNIC Fund for Virtual and International Educational Projects

2.1 Description of the Teaching and Learning setting

d) Describe how you will design your course to be as accessible as possible for all different kinds of learners. (max. 120 words)

I assure that my students are informed regarding the available support for any special needs due to disability-related restrictions and others before the start of the course. I will ensure by design of the learning activity that all students in my course can actively participate, and I will make reasonable necessary individual arrangements if required.*

2.2 Integration in the curriculum

a) Explain how the proposed activities will be integrated into the curriculum as part of regular course work. * (max. 120 words)

b) Describe how you plan to evaluate the activity (impact on teaching practices of the involved teachers, impact on student learning, other).* (max. 120 words)

UNIC Fund for Virtual and International Educational Projects

3 Reporting and dissemination

Successful applicants are required to complete a short report including evaluation questions, for submission no later than two months after the end of the project.

The following aspects should be considered in the report:

- Number of students and teachers from each participating university.
- Reflection on the activity: strengths and difficulties of the pedagogical design, co-operation between universities and teaching partners, results of the students' evaluation.
- Recommendations for future activities.
- Impact on the applicant's teaching practices.
- Comment on the potential for scalability and transferability of the activity to other disciplines/areas of the faculty/university.
- Teachers' evaluation of the programme.

Additionally, **choose at least one of the following options for dissemination of your experiences and learnings from the activity** *

- Interview with a member of my university's Centre for Teaching and Learning (about 30 minutes).
 - Presentation of the activity in the frame of a UNIC event.
 - Social media post related to the activity, which can be published on UNIC channels.
 - Other, please specify:
-
- Please acknowledge UNIC support and EU funding in any dissemination.
 - Include the UNIC logo and EU funding logo if feasible.
 - For more information see the [UNIC Press Kit](#)
