	Please note that minors at Leiden are 30 EC. Most - but not all - minors can be completed as a *half-minor* for 15 EC. If you decide to complete a minor for 30 EC, the extra 15 EC is extracurricular. Minors at Leiden can be taught outside the EUR minor period and might overlap with your regular courses. Always read the minor description carefully for more information about the minor schedule and admission requirements. Does the description not include the necessary information?
