Foreword

Food and drinks; it should be a treat. VITAM recognizes this and offers catering that is as varied as life itself. Innovative ideas for lunch as well as restaurants with a contemporary feel. Healthy and tasty food in a nice setting, but also an entrepreneurial and service oriented restaurant team.

This folder contains the banqueting menu for the academic year 2017-2018. In this folder, you will find information about the catering possibilities we offer at various locations of the Erasmus University, Rotterdam. We would like to invite you to use the examples in this document as a source of inspiration. There are numerous possibilities to enhance your meeting, conference, party or other event with suitable catering options. We offer much more than the lunches, snacks and packages set forth in this folder.

Should you have any special requests or wish to exchange ideas about the details of an event, please do not hesitate to contact us. Starting this academic year, the Global Campus Hospitality Desk will be at your service. You can request information and quotes (without any obligation) from the Hospitality Desk.

The Hospitality Desk has an office in Building G on Campus Woudestein. Internal purchasers can place orders on the EUR website. External purchasers can place orders through e-mail vitam-office@catering.efb.eur.nl.

For questions regarding standard orders, the Hospitality Desk can be reached by phone at 010-4082415. For custom quotes please contact our Banqueting Manager at telephone number 010-4082416 or by e-mail at banqueting@catering.efb.eur.nl.

We would like to assure you in advance that we are committed to providing nothing but the best service!

Kind Regards,

Global Campus Hospitality Desk
