The Electoral Committee will announce this extension to the School Community as soon as possible.

CHAPTER III  
VOTING

Article 16

1. The School’s Electoral Committee will determine the result of the Election for members of the Council based on the provisions of the following paragraphs.
2. The valid votes will be added together and counted.
3. The School’s Electoral Committee will then divide the number of votes thus obtained by the number of seats to be allocated. When calculating this number, a fraction of half or more will be rounded up and a fraction of less than half will be rounded down to the nearest whole number. The number thus obtained will be referred to as the electoral quota.
4. If at least one candidate has received a number of votes that is equal to or greater than the electoral quota, the provisions of paragraph 5 of this article will be applicable; if none of the candidates has achieved the electoral quota, the provisions of paragraph 6 of this article will be applicable.
5. The candidate or candidates who have each obtained a number of votes greater or equal to the electoral quota will be declared elected and each will be assigned one seat.
6. If after the application of the provisions of paragraph 5 of this article it is evident that not all the seats have been allocated, these seats will be regarded as remaining seats and allocated in accordance with the following principle:
   a. Of the candidates who have not achieved the electoral quota, the candidate with the most number of votes will then be declared elected;
   b. The result will be determined by repeating that stated above. Candidates already elected will be ignored.
   c. This process will be repeated until the number of candidates declared elected is equal to the number of seats to be allocated.
   d. If necessary, lots will be drawn to decide which candidate will be declared elected.

Article 22: Announcing the result

1. As soon as possible after the result of the Election has been confirmed, the School’s Electoral Committee will draw up an official report of the results of the Election, making this available for perusal for everyone and publishing the report on the Election website.

2. The candidate who would have been the first of the non-elected candidates to have been elected when once again determining the result, will be declared elected to fill the vacancy. A candidate who has in the meantime joined another Section or who no longer belongs to the School’s community will no longer be included in this procedure.
3. Re-determining the result as referred to in the preceding paragraph does not have any consequences for the sitting members of the Council.

5. The School’s Electoral Committee will announce its decision on filling the vacancy and make a copy of the official report of filling the vacancy available for general inspection.

Article 24: Longer term of office in the event of vacant seats

1. If there is a vacancy on the Council and the period of time as referred to in Article 24, paragraph 4 is shorter than nine months, the School’s Electoral Committee may ask candidates who have been declared elected for the following term of office to take up their posts in the current
term of office, and in this way to fill the vacancy.

2. The School's Electoral Committee will first make a request as referred to in the preceding paragraph of this article to the candidate who, in accordance with the procedure as stated in Article 22, has obtained the most votes. The procedure will be repeated as necessary in accordance with the procedure as outlined in Article 22, paragraphs 5 and 6.

3. If none of the elected candidates as referred to in the preceding paragraph of this article have responded to the request, the School's Electoral Committee will ask candidates who have not been declared elected for the following term of office, to take up a seat in the current term of office. This request will be made in order of the most votes obtained. The term of office of the candidate who agrees to the request as referred to in this article, will end on 31 August of the current term of office.

4. The School's Electoral Committee will announce the decision on filling the vacancy as referred to in this article and will make a copy of the official report of filling the vacancy available for inspection.
