Economics

# Join ESE Gateway

Your mentoring platform

**Erasmus University Rotterdam**  
Make it happen.

The Erasmus University logo, featuring the word "Erasmus" in a stylized, cursive script.

# Become an ESE Gateway mentor!

Harry Brouwer, CEO Unilever Food Solutions

**Join the ESE Gateway mentoring platform to share your experience  
and be an active part of the ESE network**

## **What is ESE Gateway?**

Our mentoring platform facilitates networking between students and alumni. It connects great talents of ESE, and shares knowledge and experiences across generations.

## **How does it work?**

A student mentee chooses his/her own alumni mentor(s), based on their professional and personal interests, and vice-versa, an alumnus chooses his/her mentee(s) who best fits their expertise and experience. To connect mutual approval is required. Users are free to decide when and where they want to meet. The mentor-mentee connection will last for 3 months by default, and can be extended voluntarily.

## **Who can be an ESE Gateway mentor?**

You can become a mentor if you:

- graduated from ESE,
- not currently a student at ESE
- started working

## **How do I become a mentor?**

- Go to <http://www.esegateway.nl> and sign-up
- Enter your details
- Verify your profile
- Our program will automatically detect if you are an alumnus
- Connect with students
- Start mentoring!
