

ROTAS application form 2018-2019 (deadline 16 June 2018)

First name(s):		Nationality:	
Family name:		Date of birth:	
Email address:		Date:	
Student number: <i>This number was sent to you by Studielink.</i>		Signature:	

Highly qualified, Dutch students with a clear financial need, that live in Rotterdam and/or attend secondary school in Rotterdam are eligible for the Rotterdam Talent Scholarship (ROTAS). Applicants must be accepted to the Liberal Arts & Sciences programme of EUC. Only newly admitted candidates are eligible for this scholarship; currently enrolled students are not considered.

It is up to your choice to either fill in the boxes on this form by writing & then scanning the result or to add an attachment in which you have typed your answers. In any way you are required to ensure that your answers are legible, unambiguous and – above all – honest.

Please give an explanation why you would like to be considered for the Rotterdam Talent Scholarship. Your answer should contain a detailed description of your financial situation.

Did you apply to any other grants or scholarships? If so, please specify which ones.

The Rotterdam Talent Scholarship aims to support students with a financial need and the potential to serve as role models for the city of Rotterdam. How would you contribute to the city of Rotterdam and how would you envision yourself as a role model?

The Scholarship Committee of the Rotterdam Talent Scholarship will consider your application alongside all other applicants when deciding about whom to award a scholarship. Are there any concluding remarks you would like to share regarding your application?
