

Dear Sir/Madam,

The student who sent you this form asked you to serve as a reference because he/she intends to participate in the Erasmus University Rotterdam's Erasmus Honours Programme. This programme was specifically designed for ambitious and talented bachelor students and only a select group of students may participate.

Students who want to register are selected on the basis of their score list and motivation letter. This reference form serves to provide us with a better picture of the student in order to determine his/her suitability for participation in the Erasmus Honours Programme.

In order to ensure that this form serves its purpose, it is important for you to know the student well and have an accurate impression of his/her qualities and work style. The Erasmus Honours Programme is a demanding programme that must be completed supplementary to the regular study programme and is therefore not suitable for all students. This is why we ask you to be honest in your opinion of the student. It is possible that the organization of the Erasmus Honours Programme contacts you upon receipt of this form in order to make further enquiries regarding the student.

After completion of the form, please return it to the student, who will submit it to the organization of the EHP accompanying the motivation letter.

We kindly thank you for your cooperation.

With kind regards,

Marielle Elenbaas
