

PHD Seminar Schedule Fall semester 2019-2020

Introduction session

07-10-2019, 16:00-17:30, Theil C1-4

First years Matteo and Ahmed will give their introductory presentations, afterwards there will be room for questions.

PhD students Annalisa, Lennart, and Mans will give an introductory presentation on their (academic) background as well as their PhD projects.

Conrad will introduce the Erasmus initiatives.

Academic Career + PHD Panel Session

21-10-2019, 16:00-17:30, Polak 2-07

This phd seminar is meant to give the ReMa students an insight into life as a PhD-student.

16:00-16:45: Conrad will give an introduction into the different kinds of PhD formats and to what the application process might look like.

16:45-17:30: phd panel. The panel will consist of three phd students (all affiliated with EIPE). They will each tell a little bit about their PhD and afterwards there will be time for questions (or worries) that you might have about life as a phd student.

PhD panel:
