

Dear future student,

Welcome! We are delighted to hear that you have made the great choice of joining us at the ESHCC faculty. Studying at the Erasmus School of History, Culture and Communication (ESHCC) will contribute to your future. Of course there is more to studying than the required curriculum. That is where we come in!

ACE> is the International Faculty Association of the ESHCC. We are here to maintain the study interest and to broaden the perspectives of the students. Within ACE> we represent three different studies. We connect you to the students of these studies and allow you to become part of our ACE> community. We achieve this by organizing study trips, lectures, parties, workshops, social drinks and many other activities. ACE> connects the fun parts of being a student with the educational aspects of our faculty. The best part is that our association is for students, by students. Students have the opportunity to participate in committees, in which they can develop their social and organizational skills, make friends and expand their resume.

Besides that, we offer a great discount on your study books! Study books are of course necessary but can also be quite expensive sometimes. We hope to help our students out in this department by offering this discount. Starting from August 1st you will be able to order your books via our webshop: <http://www.ifaace.nl/booksale/>. So become a member of ACE> to use this offer!

Our association is very excited about meeting all the new students and hopefully help all of you in an social and study related way. We hope we got you more excited about starting your first year at our faculty and we hope to see you all next year at our ACE> activities!

Kind Regards,

Christiaan van Sliedregt  
Chairman 36th Board  
International Faculty Association ACE>

P.S. If there are international students who are interested in ordering study books through our webshop, but don't have an adress in the Netherland in August, please contact our Internal Relations Manager, Karim Hussainali ([internalrelations@ifaace.nl](mailto:internalrelations@ifaace.nl)) to see if we can help you get the books you need.
