

Dear ACW and IBACS students of 2017/18,

We're very excited for the forthcoming year, and hope to see you enjoy year one as much as we did!

To start of the year, ACW/IBACS' student advisor, programme coordinator and mentors have organized an introduction day (4 September) filled with enjoyable activities to ease you into student life at Erasmus!

On top of that we are happy to announce the second ACW/IBACS Bootcamp, which will take place September 7th and 8th in the south of Holland. But do not fear, the two-day getaway will simply be an exciting and fun trip to get to know one another and your mentors, who will be joining the experience with you. Amongst the activities are campfires and music, Dutch games (to get to know the culture), an arts and (pop-)culture quiz, maybe even a morning hike and a swim. There will also be a group lunch, -dinner and -breakfast and of course drinks and snacks for an enjoyable night!

Now, some practical matters: accommodation is provided in the campsite building, which includes a kitchen, a common room, and anything else that you will need. However, there are 80 beds available, so sign up fast!

To be able to organize the trip, we will ask a contribution of €37,50, which cover all the expenses mentioned above. Sheets (€6) and towels (€1) can provided by the accommodation. However, you are more than welcome to bring your own sheets or sleeping bag.

We will depart from campus by arranged transport at 11:00, and will arrive at Oisterwijk at campsite Morgenrood by 12:30. The following day, we will make our way back to campus at approximately 12:00, and arrive at campus at 13:30.

Please don't forget to register for the Bootcamp:

We look forward to seeing you at the introduction week, and hopefully the ACW/IBACS Bootcamp as well!

Please feel free to contact us if you have any questions.

Sincerely,

ACW/IBACS 2017 Mentors
