Comments

The grants are provided exclusively for a student to stay in a foreign country as a part of his or her study.

At Erasmus MC the maximum grant is € 1,250. For example: students who receive € 250 during their electives can only receive a maximum of € 1,000 if they undertake their senior clinical rotation abroad.

*ESL's supplementary conditions:

The allowance is € 120 a month with a maximum of € 600 each term.

50% is paid in advance and 50% after the student has returned and can demonstrate he or she has successfully obtained at least 12 ECTS.

A grant will only be provided once.

**To date no decision has been taken as to whether FSS will offer this grant in 2014-2015. For details, please contact the international office of FSS.
