

## Requirements for the extension of an exchange

- It's not possible to stay longer than two semesters at Erasmus School of Law
- The agreement between ESL and the partner university allows an extension: the number of annual places that is officially determined in the agreement has not been reached yet
- The student has completed at least 15 ects of courses (excluding the course in English legal terminology) during the first study block with an average score of at least 7.0. The results are achieved during the official exams and not during any additional assessments
- The student has a clear academic motivation and a consistent curriculum that he/she wants to follow in the second semester. The student need to indicate this by describing the relations between the courses followed at ESL to his/her future study path in a motivational letter

## Procedure

All requests for extension need to be submitted to the international office: [internationaloffice@law.eur.nl](mailto:internationaloffice@law.eur.nl) and will be answered within 2 weeks
