### Profile

---

As one of the largest universities in Sweden, with over 70,000 undergraduate and master's students, Stockholm University offers unprecedented access to teaching and research facilities. Stockholm University, located in Sweden's capital city, is the region's center for higher education and research in humanities, law, the natural and social sciences, and a focus for the work of leading international researchers. In the heart of Sweden's only national urban park, the University is surrounded by natural beauty, whilst being only a few minutes journey from the city center.
