

## **We help you to pass the Mathematics test!**

If you have to do the Colloquium Doctum test in mathematics, Studyboost can help you.

Studyboost is an initiative of the Erasmus University and is providing courses in Mathematics.

These classes are given by very experienced math teachers.

There are two possibilities:

One class for “**refreshing**” old math knowledge. This course consists of 8 classes of 1,5 hours, **price: € 275-.**

The other course is a **Crash course** with 12 classes of 1,5 hours, **price: € 400-.**
